DEBTORS' EMERGENCY MOTION FOR JOINT ADMINISTRATION OF CASES

KJM CAPITAL TRANSPORTATION FUND, LLC, a Delaware limited liability company ("KJM"), and the above-captioned affiliated debtors and debtors-in-possession (the "Affiliated Debtors") ("KJM" and the "Affiliated Debtors" are hereinafter collectively referred to as the "Debtors"), file this emergency motion pursuant to Rule 1015(b) of the Federal Rules of Bankruptcy Procedure ("Bankruptcy Rules") for joint administration of their respective chapter 11 cases ("Motion") and, in support, state as follows:

Background and Facts Supporting Joint Administration

1. On September 27, 2019, Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code with the United States Bankruptcy Court for the Middle District of Florida, Orlando Division. No trustee has been appointed and Debtors continue to operate their businesses as debtors-in-possession under §§ 1107(a) and 1108 of the Bankruptcy Code.

2. Debtors are affiliates of one another as provided by 11 U.S.C. § 101(2) which share a common management and operational structure.

3. Joint administration, by preventing the duplicate filing and service of numerous pleadings, will ease the administrative burden on the Court, Debtors, and Debtors' creditors, and will reduce the costs for all parties in administering the above-captioned bankruptcy cases.

Relief Requested

4. With this Motion, the Debtors seek, pursuant to Bankruptcy Rule 1015(b), the joint administration of their chapter 11 cases in the lead case of *In re: KJM Capital Transportation Fund, LLC* (Case No: 6:19-bk-6302) for procedural purposes only.

Basis for Relief

5. Bankruptcy Rule 1015(b) provides, in relevant part: "If a joint petition or two or more petitions are pending in the same court or against . . . a debtor and an affiliate, the court may order a joint administration of the estates."

6. The Debtors are either "affiliates" as that term is defined in § 101(2) of the Bankruptcy Code or are related parties to affiliates. Accordingly, this Court is authorized to grant the relief requested herein.

7. Joint administration of the Debtors' chapter 11 cases will expedite the administration of these cases and reduce administrative expenses without prejudicing any creditor's substantive rights. For example, joint administration will permit the Clerk of the Court to utilize a single general docket for these cases and combine notices to creditors of the Debtors' respective estates and other parties in interest. The Debtors anticipate that numerous notices, applications, and other pleadings and motions in these cases will affect many or all of the Debtors. Joint administration will permit counsel for all parties in interest to include the

Debtors' respective cases in a single caption on the numerous documents that will be filed and served in these cases. Joint administration also will enable parties in interest in each of the above-captioned chapter 11 cases to be apprised of the various matters before the Court in all of these cases.

8. Because these cases involve multiple Debtors with numerous potential creditors, the entry of an order of joint administration will: (i) significantly reduce the volume of paper that otherwise would be filed with the Clerk of the Court; (ii) simplify for the Office of the United States Trustee the supervision of the administrative aspects of these chapter 11 cases; (iii) render the completion of various administrative tasks less costly; and (iv) minimize the number of unnecessary delays associated with the administration of numerous separate chapter 11 cases. Additionally, because this is not a motion for the substantive consolidation of the Debtors' estates, the rights of parties-in-interest will not be prejudiced by the proposed joint administration of these cases, as each creditor may still file its claim against a particular estate. In fact, the rights of all creditors will be enhanced by the reduction in costs resulting from joint administration.

9. Accordingly, the Debtors submit that joint administration of the above-captioned cases is in their best interests, as well as those of their respective estates, creditors, and other parties in interest.

WHEREFORE, the Debtors respectfully request entry of an order, substantially in the form attached hereto as **Exhibit "A"** containing the applicable requirements of Local Rule 1015-1, and granting the relief requested herein and granting the Debtors such other and further relief as this Court deems just and proper.

RESPECTFULLY SUBMITTED this 27th day of September 2019.
